WA DEVELOPMENT BEST IN THE COUNTRY

South Beach by Stockland South Beach Pty Ltd and LandCorp has taken out the award for best Residential Development at UDIA's *National Awards for Excellence* held in Brisbane.

The national awards recognise the best of the best across the country in urban development and this is the second consecutive national award win for South Beach.

The Residential Development category particularly acknowledges excellence in urban form as well as market success.

"South Beach offers great lifestyle opportunities for residents within close proximity to the vibrant precinct of Fremantle," UDIA (WA) CEO Debra Goostrey said.

"The former industrial site also provides a leading edge example of how such a site can be successfully remediated and transformed into a very attractive place to live."

"We are extremely proud that our developers are being recognised nationally for their work," Mrs Goostrey said.

South Beach has also won numerous UDIA Awards for Excellence at a state level including:
