WELCOME

FROM THE PRESIDENT AND CEO

AS THE LEADING VOICE REPRESENTING THE DEVELOPMENT INDUSTRY, UDIA IS DEDICATED TO DELIVERING TAILORED EVENTS FOCUSED ON DEVELOPMENT (ACROSS ALL SECTORS).

Held in the picturesque location of Bunker Bay, the State Conference brings together industry representatives for two days of informative presentations, discussion and debate.

The ultimate knowledge sharing platform, the annual State Conference is a chance for attendees to receive the latest industry updates, market intelligence and insights into the year ahead, and examine all aspects of property and development in WA; What's working? What's not? What can we do to remove barriers to success? What does development in WA look like in the years ahead? How can industry work together to deliver best practice?

With presenters of the highest calibre, and sessions structured to encourage interactive participation and two way discussion, delegates will undertake a concentrated, focused and thorough course of learning, ensuring they depart with all the data and information needed to arm themselves for business success in the year ahead.

But - it's not just about knowledge! Much of the value of the retreat is derived from the opportunity to foster and grow industry contacts.

The program is intentionally designed to facilitate intensive relationship building, allowing delegates in-depth engagement with long standing, new and prospective business partners.

If you work in the development industry, make sure you're registered to attend. We look forward to welcoming you there.

Nick Allingame
President UDIA WA

Allison Hailes
