

INDUSTRY BREAKFAST

THE SIX PILLARS OF SMART GROWTH

WED 26 JUNE | 7.00AM - 9.30AM | CROWN PERTH

Perth is currently at a cross roads. To ensure our future prosperity, it is imperative that we develop great places to live, work and play. UDIA WA believes that there are six pillars to achieving this and ensuring that Perth remains a great place for all; we must support affordable housing delivery, streamline the planning system, lead creation of housing choice, invest in strategic infrastructure, foster a liveable city, and improve environmental outcomes.

These pillars offer many opportunities, but can also threaten to undermine Perth’s ability to be positioned as a great city if they are overlooked and issues are left unaddressed.

How is Perth currently performing in these six key areas? What needs to be done to ensure we can achieve great outcomes in each of the six areas, now and into the future? In a post-election environment, what does the future of residential development look like?

Join us to hear insights from industry leaders and join the discussion around the main issues and opportunities influencing the WA development industry.

AFFORDABLE HOUSING

MICHELLE ANDREWS

Director General, Department of Communities
